Assistant Dean Leigh Harris, Undergraduate Education Initiatives
Division of Undergraduate Education

Dear Leigh,

I am contacting you in my role as UCLA's Accreditation Liaison Officer to the WASC Senior College and University Commission (WSCUC). The UCLA WSCUC Compliance Office submitted information to our accreditor from your area's recent proposal to implement a new academic program. The U.S. Department of Education requires WSCUC to review information describing every new proposed program at its member institutions, to determine whether the introduction of this major/degree represents a substantive change to the institution's educational offerings.

It is my pleasure to inform you that WSCUC requires no further review of your proposed degree program: **Disability Studies** (bachelor's level degree). Please contact Kelly Wahl of the UCLA WSCUC Compliance Office (kwahl@college.ucla.edu) if you have any questions or require further information.

Sincerely,

Adriana Galván
Dean of Undergraduate Education and WSCUC Accreditation Liaison Officer
